

Karvy Computershare Announces Strategic Growth Investment from General Atlantic

India's Largest Investor and Issuer Services Provider Poised for Next Phase of Growth

Hyderabad, India and Mumbai, India – August 4, 2017 – [Karvy Computershare](#), a leading provider of investor and issuer services for the asset management industry and Indian corporations, announced today that it has entered into definitive agreements for General Atlantic to become a significant shareholder in the company, subject to regulatory approvals and custom closing conditions. As part of the transaction, Computershare Limited (ASX: CPU) and certain other shareholders will exit their investments in Karvy Computershare. C. Parthasarathy, will continue as a meaningful shareholder in Karvy Computershare and will become Chairman of the Board of Directors.

Founded in 1995, Karvy Computershare subsequently became a joint venture between Karvy Group and Computershare Limited in 2004 when both firms recognized the growth potential of the Indian corporate shareholders service and asset management sectors. Karvy Computershare services over 90 million investor accounts for its clients, which includes asset managers and Indian corporations. The company is also licensed by India's Pension Fund Regulatory and Development Authority (PFRDA) as the official Central Record-keeping Agency (CRA) for the National Pension Scheme (NPS).

"With the continued growth of the Indian asset management industry, there is significant opportunity for Karvy Computershare to support the expanding needs of our clients through our tech-enabled platform," said C. Parthasarathy, Managing Director of Karvy Computershare. "We are thrilled to partner with General Atlantic as we embark on our next phase of growth. With its deep experience investing in a number of leading business service providers to the financial services industry, General Atlantic will bring valuable industry insights and significant technology know-how."

Sandeep Naik, Managing Director and Head of India & Asia-Pacific at General Atlantic, said, "India's asset management and corporate shareholders' service sectors are poised for rapid growth and continued development, supported by a number of compelling secular trends. We believe Karvy Computershare will remain a partner of choice for Indian asset managers and corporates, given its extensive expertise and market-leading suite of services. We look forward to partnering with the company's management team and entire employee base to help support new technology initiatives and growth opportunities to enhance the company's value proposition."

"We are proud of the progress we have achieved together with Computershare Limited and thank our dedicated employees and customers for their continued commitment to Karvy Computershare," said V. Ganesh, CEO of Karvy Computershare. "Our partnership with General Atlantic marks an important milestone for the company and we are excited about our next phase of growth."

“When we initially partnered with Karvy Group to form Karvy Computershare in 2004, we had strong conviction about the growth potential of the Indian corporate and asset management sectors. Over the past 13 years, we have been delighted to witness the impressive evolution of these sectors and to support the company,” said Stuart Irving, CEO of Computershare Limited. “We are confident that Karvy Computershare is in superb hands for its next chapter.”

In its next phase of growth, Karvy Computershare will seek to expand and enhance its portfolio of services to meet the evolving needs of its customers. With General Atlantic’s experience as a leading investor in technology and technology-enabled businesses, the company expects to make further strategic investments, both organic and inorganic, in the company’s platform. In addition, Karvy Computershare plans to continue to incorporate operational best practices and deepen its focus on human capital in order to provide best-in-class customer experience.
